2010 Sedgwick County Zoo Summer School Scholarship Application

Scholarship requirements:

1. Complete this form and return it to the Cargill Learning Center at Sedgwick County Zoo. Once the form has been received, a staff member will contact you to let you know the status of your scholarship. This may take up to two weeks.
2. Only one scholarship can be submitted per person.
3. One scholarship is available for each class. *A minimum of five additional people must be registered for the class to run. If a class is canceled, scholarship awardees will be given the opportunity to transfer to another class.*
4. Complete your service project outlined in this application.
5. Send short essay and photo highlighting your service project. School-age children should complete this requirement themselves. Younger students should be actively involved in the writing of their essay.
6. Attend class. *With prior approval classes may be attended before service project is complete. In this case a service project plan and schedule must be submitted before the first day of class.*

Child's Name: _____
Child's Address: _____
Child's Phone Number: _____
Date of Birth: _____
Current Age: _____ School Attending: _____

Class interested in enrolling in:
1st Choice (name, date, and time) 2nd Choice (name, date, and time)
_____ _____

Parent or Guardian's Name: _____
Parent or Guardian's Address: _____
Parent or Guardian's Phone Number: _____

Service Project:
Each scholarship awardee is required to create/participate in a service project in their community. Preference will be given to service projects that are created by the student. Service projects should take about four hours. Examples of a service project are:

1. Neighborhood Cleanup: Student and adult will spend a minimum of four hours cleaning up trash and recyclables in a two block area.
2. Helping Hand: Student and adult will spend a minimum of four hours helping the elderly or impaired.
3. Volunteer: Student and adult will spend a minimum of four hours volunteering with an organization.
4. Animal Helper: Student and adult will spend a minimum of four hours creating a backyard habitat for native animals.

Service Project Description:
In a minimum of 100 words, please describe in detail your service project (use extra paper if needed).
